ARIZONA PLANS FIGHT ON INCREASED PHONE CHARGES

INCREASED PHONE CHARGES
Phoenix, Arin, May 2.—Charging that the "precipitate and unlawful manner in which the telephone companies attempt by inangurate increases in rates is from an angle wholly indefensible." F. E. Jones, member of the state corporation commission, amnounced that assistant abstracted by the commission to forthwith apply to the court for an order restraining the Mountain States Telephone and Talegraph company from collecting the increased schedule filed with the commission Thursday. The new schedule provides for an average rates in business telephone and Il per phone throughout the state, encept at Bishee and Douglas, where the rates are increased from it to \$6 a month.

"The fact that the proposed tariffs were prepared outside of the state and had been under consideration for some time," and Johns, "makes it syldent that withholding information from the commission and the public was premeditated and designed to prevent legal proceedings to require observance of our laws and to pravent the public and press from commenting on a further and I hope, final act of the positionster general to his handling of the wire systems of the country."
